The Old Stone Fort is a 2000-year-old American Indian ceremonial site. It consists of mounds and walls that combine with cliffs and rivers to form an enclosure measuring 1-1/4 miles around. The 50-acre hilltop enclosure moundsite to have served as a central ceremonial gathering place for some 500 years.

This State Archaeological Park is dedicated to the preservation, protection, study and interpretation of this significant piece of ancient culture. The park offers educational and entertaining programs that increase understanding of the Old Stone Fort, archaeology, and Native American cultures.

Old Stone Fort is located off U.S. Highway 41 in Manchester, Tennessee. From I-24 turn southwest at the Highway 53 exit and follow the signs 1 1/2 miles to the entrance. All Manchester exits  have signs to the park.

Access Fees may apply. Call park for details.
